August 6, 2017 – The Transfiguration of the Lord

"And he was transfigured before them; his face shone like the sun and his clothes became white as light." - Matthew 17:2

Just as the moon reflects the light of the sun, we should reflect Christ's light to the world. When we receive the Eucharist, the body and blood of Jesus, we are called to be supernatural to reflect His love, mercy and forgiveness to others. When we are grateful for all that God has given us, generosity flows through us because we are made in God's image.

TF47: Science And Creation - Can't They Just Get Along?

This week Eric and Brett take a look at the relationship between science, evolution and 'creationism'. The relationships between these three can often be a source of confusion for the average 'Catholic on the street', the average non-Catholic and atheists too. We'll try to clear things up while remaining as awesome as always. How awesome? Jesus and the disciples riding through Jerusalem on velociraptors awesome!
