## HOLY ROSARY CATHEDRAL FINANCIAL STEWARDSHIP

On behalf of your Parish Finance Committee, we thank you for your contributions to the Parish this past year. However, we are sure that you have noticed in the Sunday bulletins, that the weekly contributions have been less than the weekly budgeted amount required to operate this Parish. For the fiscal year 2016, presently we have a **DEFICIT OF \$33,000** (there will be some adjustments to this amount).

The **2017 budget** to operate this Parish is **\$439,000**. As you know, costs here continue to rise the same as it does in your household. The size, age and the need to preserve the heritage aspects of Holy Rosary Cathedral, a landmark in our community, all add to our costs. Our utility cost this past year was \$32,000 and our insurance cost was \$35,000. As with most parishes, salaries is the big expense and that total was \$150,000.

Our Parish exists to provide a spiritual home for all of our parishioners. To do this, we must be financially viable, that is, able to maintain our building and able to offer the services that make Holy Rosary an attractive parish and spiritual home. The Parish depends on your contributions to cover almost 90% of the expenses. We ask all parishioners to help support the Parish, through the regular use of envelopes or, if you wish, sign up for **AUTOMATIC FUND TRANSFER** (forms are on the tables at the entrances of the Church).

Are you contributing fairly and in accordance with the importance of Holy Rosary Cathedral to your family's well-being? Has your donation changed in recent years to consider your changed circumstances or changing needs of the Parish. We encourage you to take this opportunity to prayerfully consider the financial needs of your spiritual home.
