O God, who through your Word reconcile the human race to yourself in a wonderful way, grant, we pray, that with prompt devotion and eager faith the Christian people may hasten toward the solemn celebrations to come. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, forever and ever.

**"No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan." (Joshua 5:12)**

Over the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon

as they were able to enjoy the fruits of the Promised Land the manna ceased. Likewise, God's blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.

## FLOWERS IN MEMORY OF LOVED ONES

You can make a Flower Offering in memory of loved ones. Please pick up an envelope marked "Easter Flower Offering" from the pews. Fill it out, add your donation, and put it in the collection basket. Your loved one's name will be visible on the flower plant which will be displayed near the altar area during Easter.

## Symbols of Solidarity

This Lenten season, Development and Peace — Caritas Canada invites us to put People and Planet First. The symbols of solidarity to celebrate the bravery of our sisters and brothers, here and in the Global South. They reflect the determination of communities in the Global South to live with dignity and to decide their own future. And they remind us of our responsibility to those communities.

### Third Symbol

*These handcuffs [OR This chain OR These zip ties] symbolize/s the unjust criminalization of activists who defend their people's human rights and the environment.*

One country in which this happens often is Honduras. There, some communities face a double threat. Powerful companies want to grab their lands to steal their resources. And their own governments abet those companies in the name of economic development. Development and Peace's local partner, Caritas Choluteca, helps the people counter these twin threats. They train and accompany community leaders. They help people advocate for policies and practices that respect human rights and the environment.

Week 4: March 27

### Standing up to corporate power in Honduras

The People and Planet First campaign is about helping communities stand up to corporate power. In Honduras, as in much of the Global South, corporations often threaten and criminalize activists who speak up against their abuses. The Lenca Indigenous leader Víctor Vásquez was imprisoned for fighting the corporate takeover of his people's ancestral territory. Development and Peace's partner, the Honduran Centre for the Promotion of Community Development (CEHPRODEC), helped free him from jail. Another partner, Caritas Choluteca, trains and accompanies community leaders in advocating for policies that respect human rights and the environment. Recently, they got mayoral election candidates to undertake to declare the municipality of Orocuina a mining-free zone if elected. Read more about these people's victories in our Mini-magazine at [devp.org/len/ressources](http://devp.org/len/ressources).

## Stewardship Bulletin Bit

*"...He said to the gardener, 'For three years now I have come in search of fruit on this fig tree but have found none.'" (Luke 13:7)*

We can all be like the barren fig tree at times. Do you cling to what you have or do you generously share with others? How will you respond when God asks you what you have done with all the gifts He has given you? Remember, not only are we called to be generous, we are called to develop and nurture our gifts, and return them with increase. Remember, we are called to be generous with all of gifts; especially the one that means the most to you.

## TF289: Redeeming Expertise with Josh Reeves - Part 2

We continue our discussion with Josh Reeves, author of *Redeeming Expertise: Scientific Trust and the Future of the Church* to discuss the phenomena of extreme skepticism, its effects on polarization culturally and in the Church, and imagine healthier ways forward.

**Show Snippet:** "I was talking to someone who was doing a survey (on) whether people were satisfied in their churches, and if someone was on social media they often tended to be dissatisfied because of some national issue, but if someone was not on social media they tended to be very happy with their local church..." ## The Moral Dimension of Climate Change

6 - 7 pm EST, Wed Mar 30, online

Please register at: <https://bit.ly/3qgNyPu>

NOTE: This will be 4 - 5 pm Saskatchewan time

As the indicators of climate change become more alarming, the search for solutions has also become more urgent. However, the nature of the challenge also raises questions that go beyond straightforward scientific or policy fixes. What are the values that should inform our climate policy? How do we bridge political divides to generate new forms of social cooperation in the search for solutions? What new narratives can help us to navigate this next step in human civilization? Participate with: Prof. Ken Boessenkool (McGill University); Prof. Tzeporah Berman (York University); Indigenous Archbishop Mark MacDonald (Anglican Church of Canada); Levi Minderhoud (Association for Reform Political Action); and Bhaskar Goswami (Founder, BODHI) along with Members of Parliament Daniel Blaikie, Garnett Genuis, Elizabeth May and Sameer Zuberi.

The All-Party Interfaith Caucus is affiliated with the Canadian Interfaith Conversation (CIC), Canada's national interfaith body. The purpose of the All-Party Interfaith Caucus is to promote dialogue between Parliamentarians and representatives and members of Canada's religious communities on matters of shared interest and concern.
