4th Sunday of Easter

"And Peter said to them, 'Repent, and be baptized, every one of you, in the name of Jesus Christ...'" Acts 2:38

The word "repent" means to turn from sin, to change our actions. When it comes to change, do we take responsibility for change or do we think that others have to change instead? Change that is permanent comes from within, we must take control and be disciplined. Remember though that we are not alone, Jesus is there to help lighten the load.

PLEASE SUPPORT OUR ADVERTISERS

Letter to Elected Officials Requesting Support for:

Catholic Education in Saskatchewan.

To Hon. Brad Wall, Premier of Saskatchewan; Hon Don Morgan, Deputy Premier of Saskatchewan and Minister of Education; and Mr. Trent Wotherspoon, Leader of the Opposition

I write to you today as a supporter of Catholic education in Saskatchewan. I do so specifically in light of the restrictions on educational funding for non-Catholic students arising from Justice Donald Layh's recent ruling against Christ the Teacher Roman Catholic Separate School Division and the Government of Saskatchewan.

I appreciate the announcement concerning invoking the "notwithstanding clause", and the opposition support for this measure. It provides much needed and timely comfort to parents concerning uncertainty for the future education of their children that arose from the trial decision.

In order to insure that parents who desire a faith-based education for their children would continue to have that opportunity, I would encourage the government to join in the appeal of this decision with Christ the Teacher and the seven other Catholic school boards in this province. I also encourage the opposition party to support such an appeal.

I ask that you continue to use whatever legal means necessary to support Catholic separate schools and educational options for Saskatchewan children.

Thank you for your time, and thank you for the continued protection of religious and educational freedom for the citizens of Saskatchewan.

**PASTORAL LETTER FROM THE BISHOPS OF SASKATCHEWAN
ON THE THEODORE SCHOOL RULING**

Dear Brothers and Sisters in Christ,

As many of you will know, on April 20, 2017, Justice Donald Layh ruled on the Theodore Court case that the Government of Saskatchewan could no longer fund non-Catholic students attending Catholic schools in Saskatchewan, starting June 30, 2018. This judgment protects the rights of the Catholic school system to continue; but it would remove funding for our ecumenical and interfaith brothers and sisters whose children have been granted permission to attend Catholic schools. This has raised many questions and created a large degree of uncertainty for students, parents, staff and other members of the Catholic school community.

Soon after the decision was announced, Premier Brad Wall and Minister of Education Don Morgan both publicly stated their support for Catholic education and their disappointment with the court's judgment. On Monday, May 1st, the Premier signaled that that government would be invoking the 'notwithstanding clause', which effectively gives the province five years to discern how to respond to the court's ruling. The Leader of the Opposition, Trent Wotherspoon, noted his party's agreement with the use of the 'notwithstanding clause' in this case. For all of this, we are deeply grateful.

Meanwhile, the Saskatchewan Catholic School Boards Association (SCSBA), with the unanimous endorsement of all eight Catholic school boards in the province, announced on April 28th that it would appeal the recent decision in the Theodore court case. The government has not yet indicated whether it will also appeal the decision.

The outcome of the current tensions regarding funding for faith-based education will have a deep, lasting impact on the Catholic Church in Saskatchewan, its role in education, our relations with our ecumenical and inter-faith partners, and with the community at large. Living in a pluralistic society requires dealing with difficult decisions. As leaders of the Catholic churches in Saskatchewan, it is our strong hope that our society will allow religious faiths to play a constructive role in education as in other areas of our common life; and that Catholic schools might continue to welcome the children of families who aspire to faith-based education. We have much to offer, and society has much to lose if religious faith is marginalized and our values are not able to contribute to the common good.

We encourage you to let your elected officials (your MLA, the Minister of Education Don Morgan, Premier Brad Wall, and Leader of the NDP Trent Wotherspoon) know that you endorse the government's decision to invoke the notwithstanding clause. You might also wish to express your

hope that the government joins in appealing the recent Theodore court ruling. A list of MLAs can be found at <http://www.legassembly.sk.ca/mlas/>. Additional information is available at <http://www.scsba.ca/theodore-case>. You might choose to write your own letter, to send an email using the electronic submission form provided at <http://www.catholicedspirit.ca/>, to send a letter signed by your parishioners, or to use the attached letter that we have drafted for your convenience.

We are also sending you separately the letter that was sent out to parents of students at Catholic schools in the Catholic school division in which your parish is situated. We take this opportunity to reiterate our strong support of the Catholic School Districts in the province.

Thank you for your continued support of Catholic education. Please keep our students, teachers, and all associated with our Catholic schools, in your prayers at this critical moment in time.
