O God, by whom we are redeemed and receive adoption, look graciously upon your beloved sons and daughters, that those who believe in Christ may receive true freedom and an everlasting inheritance. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" James 2:5

What is more important – being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace.

When we put possessions first, we soon realize we can never have enough and happiness is fleeting. When we put faith over possessions, we truly realize it is better to give than receive.

ELEVATOR: Our new elevator will be open and ready for Masses next Sunday, September 15th.

There will be a Mass in honour of **Our Lady of Peñafrancia** on Saturday, September 14th at 11:00 am, followed by a potluck in the hall. Everyone is welcome.

HOLY ROSARY CATHEDRAL will host a *concert of the organ music* of **TATE PUMFREY** on Friday, September 20th at 7 PM.

Sponsored by the RCCO Regina Centre, three organists will perform, culminating in the world premiere of the Organ Sonata No. 1, based on Gregorian chant from Holy Week, commissioned by Renée de Moissac, and written with this instrument in mind.

Canadian composer Tate Pumfrey (b. 1998) grew up in Thamesville, Ontario and studied at Western University where he received a Bachelor of Arts in Music. In 2022 he completed a Master's Degree in Composition at York University under the supervision of composer Stephanie Martin. His teachers and mentors include Gilles Maurice Leclerc, Jeff Smallman, and the late Rachel Laurin. A strong interest in Catholic sacred music has led to the self-publication of two volumes of 24 original hymns each (in collaboration with Australian poet-organist Christian Catsanos).

CONQUEST BOYS' CLUB

Registration is now open for the Conquest Boys' Club 2024-25 year! Conquest Boys' Club is for Catholic boys who want to grow in virtue, to learn more about their faith and serve the church. Conquest is a leadership program that helps form the future leaders of our church, future fathers, future husbands and builds strong foundations for our Catholic young men. To register, email conquest.regina@gmail.com.

REGINA PRO LIFE ASSOCIATION

Is pleased to present the pro-life parish study series compiled by the Canadian Centre for Bio-Ethical Reform entitled 'A Christian's Guide to Defending Life in the Womb'. This excellent series consists of 5 sessions which will be held at St. Martin de Porres parish, 4720 Castle Road, beginning Thursday Sept. 19th. Sessions include a brief spiritual component, a video presentation of about 30 minutes, questions for reflection & discussion and coffee and refreshments. To register, please contact Jeanine Mann at

manne@sasktel.net. This series of videos, featuring some of the brave young voices fighting for our innocent brothers and sisters who are daily killed in the womb, is truly excellent and enlightening. In this time of increased violence throughout the world, we should remember the wise words of Mother Theresa; "The greatest destroyer of peace is abortion" and do whatever we can to end abortion. This series will help equip you for this mission. Although there is no registration fee required, registration is necessary to have the participant's booklets available.

NOTE: This program is not suitable for children under 13 years of age.

Theology and Artificial Intelligence: Systematic and Denominational Perspectives

Online Zoom webinar. Hosted by Canadian Council of Churches

Artificial intelligence (AI) continues to spark interest and concern around the globe. Join us October 1st at 3pm Eastern Time for the second of our series of webinars on AI. Our ecumenical panellists are: Prof. Dr. Heinrich Bedford-Strohm, Very Reverend Dr. Aristarchos Gkrekas, Prof. Dr. Cory Labrecque, Prof. Rev. Dr. Tracy Trothen, Prof. Dr. Gayle Woloschak

Eradicating the Demand with Technology: One Buyer at a Time

On Monday, September 16 at 11:00 AM, join the Sexual Exploitation Working Group of the Canadian Council of Churches for the second of three webinars!

One of the priorities of the Commission on Justice and Peace Sexual Exploitation Working Group is to educate, advocate, and theologically reflect on the area of sexual exploitation and demand reduction. True justice requires reducing the demand. The demand for paid sexual services is what fuels sex trafficking. Minimize demand: minimize the need for vulnerable individuals to be exploited to meet the demand.

Our guest speaker, Brian Rae, grew up in North Africa where he developed a heart for justice at a young age, inspiring him to pursue a legal career. After passing the bar exams, Brian chose to set aside his legal career to focus on combating sex trafficking through technology and compassionate care. Now based in Victoria, BC, he leads Buyer Resist, a technology organization dedicated to eliminating the demand for sex trafficking. At the heart of Buyer Resist's efforts is an artificial intelligence-powered chatbot that intercepts men who are buying sex and guides them towards recovery from sexual addiction and brokenness.

Everyone who registers will receive a Zoom link on the day of the event. *NB: This event will take place in English only.*

Canadian Physicians for Life Annual Conference

The Canadian Physicians for Life invites you to celebrate our 50th year with us at our annual conference, which will take place on Oct. 25-27, 2024, at the Versante Hotel, Richmond.

Our conference is the premier pro-life medical conference in Canada. It offers medical students, residents, physicians, and the wider pro-life community a broad range of seminars, panels, and keynotes designed to inform them about sensitive and emerging issues.

LIMITED scholarships are available to medical students and residents. The scholarship covers conference fees, food, hotel and a travel stipend.

Developments in biotechnology, artificial intelligence, legal doctrine and practice, the social sciences, ethics, and beyond raise challenges to our understanding of the proper role of medicine. Each year, our conference has a theme that focuses on a distinct aspect of humanizing healthcare.

This year, our conference is entitled "We Belong to One Another". We will explore ways to promote belonging and community as an integral part of healthcare.
